No: -NRHM/J&K/P&S/ awareness/2012

Dated:- 12-07-2012

Subj: - Awareness generation about activities under National Rural Health Mission (NRHM).

The Chief Secretary J&K, while reviewing the progress of Centrally Sponsored Schemes including NRHM in the districts of Udhampur, Doda and Ramban and the devolution of functions/powers to PRIs in a meeting held on 7th July 2012 at Patnitop, has desired that there is need to generate awareness about NRHM activities at the Block / Panchayat level so that the members of PRIs, local NGOs, ANMs, ASHAs etc. are made aware of their roles in implementation of NRHM at the field level. Such Awareness generation programmes / Sammelans should be held at the Block Level for two to three Panchayats taken together at one time, depending upon the number of Panchayats in the Block.

Such Sammelans should aim at creating awareness among the PRIs, prominent citizens, NGOs, field level Health functionaries like ASHAs, ANMs, Anganwadi Workers etc. about various scheme/components of NRHM who are directly associated with the implementation of these schemes / programmes at the ground level. Similar Sammelans have already been conducted at the District level during the year 2011-12. During these Sammelans, the focus should be given on the generation of awareness about different schemes of public benefits like JSY, JSSK, Role of PRIs in Health / NRHM, functioning of ANMs / ASHAs / Anganwadi workers, provision of various services under NRHM etc. The technical inputs in this regard shall be provided by the Block Medical Officer whereas the Administrative Officers like SDM / Tehsildar will provide support and supervision for organizing the programme at the Block / Panchayat level and ensure the participation of PRI members and issues related to devolution of powers are discussed in such Sammelans. An amount of Rs. 20000/- per Medical Block shall be provided under NRHM for organizing this activity.

2.

It is therefore, requested that immediate action may please be initiated for organizing these Awareness Generation Sammelans at the Block / Panchayat level during the current year. It needs to be ensured that the Sammelans are organized / completed within a period of two months preferably by 15th September 2012.
